University

Issued May 2022

Preparing Future Faculty (PFF)
Certificate in College Teaching,
Claremont Graduate University

ACADEMIC APPOINTMENTS

January 2023 - Present

**Apprentice English PAL, Peer Assistant for Learning Program
Chaffey College**

I am embedded as a near-peer mentor, or PAL, in an English 1A: Composition course, where I am mentored by Dr. Emilie Koenig. As a PAL, I am assigned to two online courses. With the collaboration of a Co-PAL, we provide hours of one-on-one tutoring, asynchronous support, and group session workshops for students outside of class to support their learning. In addition to my PAL class assignments, I tutor other Chaffey students in the Success Center through in-person and virtual modalities.

July 2022 -December 2022

**Graduate Embedded Tutor (G.E.T)
Glendale Community College**

As a Graduate Embedded Tutor, I functioned as a dedicated classroom-based tutor for English 101+: Introduction to College Reading and Composition, where I was supervised by Instructor Elizabeth Bryer, M.A. As an embedded tutor, I was seamlessly woven into the course, providing just-in-time support in the form of tutoring and empowering mentorship, particularly serving disproportionately impacted students as part of the Institutional Effectiveness Partnership Initiative. I conducted weekly tutor office hours (with in-person, online, and asynchronous options), where I was skilled in engaging students in collaborative conversations surrounding the topics of writing, critical thinking, researching, and proofreading.

May 2022 - Present

**Social Media Liaison, Executive Committee
Renaissance Conference of Southern California (RCSC)**

I manage the RCSC's social media accounts across Twitter, Instagram, LinkedIn, and Facebook, as well as our website. I create unique content to promote the RCSC's 66th Annual Conference taking place at UC San Diego, as well as various community-based events dedicated to the advancement of the Renaissance period c. 1300-1800.

August 2021 - Present

**IGNITE Peer Mentor
Claremont Graduate University**

I serve as a mentor for two first-year graduate students through Claremont Graduate University's IGNITE Mentorship program, which focuses on helping first-year students transition to graduate life from historically marginalized communities.
